### **What is an Integrated Resource Plan?**

An Integrated Resource Plan is an electric utility's forecast or prediction of the electric utility's resources needed to provide safe, reliable electricity in the future. Essentially, it is a utility's strategic operational plan for the next 15 years that considers both customers' demand for electricity and the utility's ability to supply it.

This case was filed pursuant to S.C. Code Ann. Section 58-37-40 and Commission Order No. 2022-840. The hearing listed in this notice has been scheduled according to S.C. Code Ann. Section 58-37-40, Commission Order Nos. 2022-840 and 2023-578, and S.C. Code Ann. Regs. 103-817. The hearing on Dominion Energy South Carolina, Inc.'s Integrated Resource Plan is scheduled to begin on Monday, August 28, 2023, beginning at 10:00 a.m. with customer public testimony. At the conclusion of customer public testimony, Dominion Energy South Carolina, Inc., and other parties in the case will present testimony and evidence from witnesses, including expert witnesses and technical witnesses, on the 2023 Integrated Resource Plan. Both this hearing and the customer public hearing are open to the public and will be broadcast live at this link: <https://www.scetv.org/live/public-service-commission>
